

## WILL SEE RACE IN AIR WITHIN SEVERAL DAYS

Rock Island People Will Witness  
Spectacle When Planes Stop  
Here This Week.

**OFFICER ARRIVES.**  
Lieutenant E. S. Hansberger of Middletown, Pa., arrived in Rock Island this afternoon to assume full charge of the supply station at Franing field for the transcontinental air derby this week. Eight enlisted men from Rantoul field are on duty with the officer. His headquarters are at the Rock Island city hall.

Residents of the tri-cities can expect to see a number of aeroplanes within the next few days, as the start of the transcontinental race will take place tomorrow, with 35 planes starting from Mineola, Long Island, New York, and 12 from San Francisco.

It is expected that the contestants will arrive in the Rock Island field within two days after the start which means the fliers should be here on Tuesday.

The landing field has been chosen, and all the equipment for the construction of the necessary markers to aid the contestants is here, but no one is here to complete the work.

An officer was to have been here several days ago to do this work but has not arrived. However, it is assured that someone will arrive to take charge before the start is made.

The Franing farm, one mile west of the bridge across the Rock river, near Moline, has been selected as the field at which the entrants will replenish their supplies.

## LONG RESIDENT OF THE COUNTY

Mrs. Eliza Robbins, Pioneer of  
Edgington, Passes Away at  
the Age of 86.

Mrs. Eliza Robbins of near Taylor Ridge, died at her home early Sunday morning, after three weeks in which she had been confined to her bed, following a stroke of paralysis. Mrs. Robbins was 86 years of age, having been born April 10, 1833, at Janesville, Ohio. When a young girl she came to Illinois, and had resided in Edgington township practically her entire life. Her husband preceded her in death about thirty years ago.

She is survived by two daughters, Mrs. Mary Boughton and Miss Nora Robbins, at home; a grandson, Roy Boughton of Chicago; and three brothers, Marshall Tucker of Shelby, Iowa, Thompson Tucker of Marshalltown, and George Tucker of Taylor Ridge.

The funeral services will be held at 2 o'clock Tuesday afternoon at the home, Rev. S. W. Moore officiating. Interment will be made at Buffalo Prairie cemetery.

## SHE WOULD PAY \$100 A BOTTLE

Tanlac Relieved Her of 15 Years'  
Trouble After Everything  
Else Failed.

"I would actually pay \$100 a bottle for Tanlac rather than be without it, and I'll tell the reason why," said Miss Lydia Kell, who lives at 1620 North Madison street, Peoria, Ill., while talking to a Tanlac representative the other day.

"When I tell you how Tanlac relieved me of 15 long years of suffering after everything else I tried had failed," continued Miss Kell, "you will understand why I just simply refuse to be without it. My trouble was catarrh of the stomach, and I had gotten in such bad condition that I would get deathly sick nearly every time I ate anything. When these spells came on me I would get so dizzy I couldn't stand on my feet, and would have awful cramping pains right in the area of my stomach. At times I would have raging headaches that would almost drive me wild. In fact, I don't see how anybody could suffer any more than I did during all those years. I was under treatment and took many different kinds of medicine, but it just seemed impossible for me to get any relief."

"Then I heard about Tanlac and do you know, I had hardly finished my first bottle of this medicine until I could see that my condition was improving. I knew then that I had at last found a medicine that would bring me back to health and strength. I continued to take Tanlac and finally I was free from my troubles, and having a ravenous appetite I could eat just anything I wanted and as much as I wanted without suffering afterwards. My strength and energy came back to me and my entire system was built up and put in such fine condition that of all the epidemics that hit the country last winter not one of them touched me. Now all this happened about a year ago, and I have been in perfect health ever since, which goes to show that Tanlac does real, permanent work. I am going to make sure that my system is in proper condition to resist the country this winter, so I am going to take a few bottles of Tanlac. Now that is just why I say that I would pay \$100 a bottle for this medicine rather than be without it."

Tanlac is sold in Rock Island by J. Bengtson's drug store, in Moline by G. H. Schrock, in Elgin by J. W. Dougherty, in Reynolds by John H. O'Leary and in Port Byron by O. L. Dailey.—(Adv.)

## FIFTEEN MEMBERS OF CHARITY BODY WILL BE ELECTED

Fifteen directors of the Associated Charities will be chosen this evening at the annual meeting of the charities body to be held in the south lecture room of the Y. M. C. A. The nominating committee has prepared a list of 42 names from the association membership and voting will be by ballot. The board formerly was composed of 30 members, but when the constitution was

rewritten following the reorganization of the association, the number on the board was reduced to 15. Every person who has paid \$1 to the association automatically becomes a member of the association and is entitled to a vote.

Following the business session Dr. J. D. Matheny of Indianapolis, Ind., will speak on "The Delinquent Boy and Charities."

The great majority of the national flags are tricolors, but a few, like Japan and Switzerland, are content with two colors.

## Boy Scout News

Scouts in the city are getting ready for the court of honor which will be given the latter part of the month. No court of honor has been held since camp and there should be quite a large number ready to pass their tests.

The first meeting of the Boy Scout bank will be held at the "Y" this evening at 7:30. All boys in the city interested should be present at this time. It is hoped to be

able to start practice some time during the week, as soon as a definite time for meeting can be decided.

Troop No. 3, which was reorganized last week under the leadership of Ben Clarke, are trying to get all its old members out for the hike to be taken tomorrow night. The Scouts will leave the church at 6 o'clock and bring their supper

with them. The new Scoutmaster is enthusiastic about plans made for this troop and is very anxious to have every boy from the church who is eligible as a member of this troop.

Troop No. 2 will continue to hold its meetings on Tuesday night instead of some other night in the week. Scoutmaster Nitche has kept his troop interested in spite of the

many other attractions during the summer and is now making plans for a good season's work. This troop meets every Tuesday evening at 7:30 at the Oak Grove chapel.

There are now some half dozen Scout teams in the city. All of these teams wishing games should get in touch with Scout headquarters as there are numerous challenges open.

**DRAWS MAXIMUM FINE.**  
(Special Moline Service.)  
George Merritt of Davenport, who drove an automobile which figured in an accident a week ago, was found guilty in Moline police court Saturday afternoon of driving a vehicle while under the influence of liquor. Magistrate Gustafson imposed the maximum penalty, \$25.

## Economy the Foremost Feature in This Specially Planned Event The 3d Semi-Annual Box Hosiery Sale
